Innocence is acceptance of all things as they are.

Accept what is known evidenced by what exists. Everything is real. All things are truths, complete, beaming harmonics. Harmonics gives way to freedom from corruption.

By virtue of our agile tolerance, our radical inclusion, and the existence of dignity as commonplace can we experience the success of innocence.

Corruption infuses doubt into our conversations. Corruption discards. Innocence seeks. Corruption lobbies avarice. Innocence creates through the career of Democracy as part of our Global Society.

Innocence gives way to our most intimate act as communitarians, learning. All learning is shared, with identical influencing outcomes: courage, and reason inspired open mindfulness. These two most vitally intrinsic mortal characteristics produces ripples in lives, policies in public, and a society built on the unity of what is at the core of Us: creativity.

Corruption is rigid. Innocence is ready.

I choose innocence. Corruption is simply archaic.
